

CHEPHIS CORPORATION

INDENTORS TO THE INDIAN PHARMA INDUSTRY
FOR THE PAST FOUR DECADES. . .

ABOUT US

CHEPHIS was founded in 1972 by Mr. Dipak Mehta.

We are a reputed Indenting house, well known amongst our Suppliers and Customers as professional, transparent and most dependable Agent in the Indian market.

Chephis has been working for the past 4 decades representing Manufacturers across the World to sell their API, Intermediates etc. to End-users in India. Currently, our annual turnover is about USD 50 million and we represent several Manufacturers in Korea, Europe, China, India etc.

MILESTONES

- Introduced Korean Pharma Industry for first time in India when **we brought CKD Biocorp to India in 1979** and still continue to be their agent ... **representing CKD for last over 30 years.**

- *In 90's we arranged technical collaboration for manufacturing Rifampicin in India from intermediate stage between CKD and Unichem Lab Ltd., Cadila Pharma Ltd. and Themis Chemicals Ltd. and CHEPHIS was the sole agent in India for selling the API manufactured by all the three Companies.*

- *Chemo Group, Spain and Argentina – one of the biggest Pharma Groups in Europe and South America. We were working as their sole agents in India from 1983 onwards and were biggest seller to Indian market for Ampicillin Sod, Chloramphenicol Sod, Ciprofloxacin and Enrofloxacin etc. We introduced over 50 API's for the 1st time in Indian market.*

- Beecham Pharmaceuticals, UK (now part of GSK) appointed us exclusively agent. We were largest seller for Cloxacillin Sod inj., Mupirocin, Amoxycillin-Potassium Clavulanate etc.

- *Arranged joint venture of Pharmachemie, Netherland & Cadila Group to sell high-tech oncology formulations in Indian market.*

- ACS Dobfar, Italy- As their Agents we were first to introduce Cefuroxime Sodium in Indian Market.

- *Duperial Saic, Argentina* (joint venture between Du Pont, USA & ICI, UK – sole Agent and largest seller to sell Natural Tartaric Acid to Indian Pharma Industry for 20 years.

COOPERATION WITH CHINA – CHEPHIS has been working with Chinese Companies since 1979 and was amongst the first to develop China as a source for Pharma intermediates in 1990. In all these past years, we have worked with some of the largest and most reputed Pharma Companies in China.

WE ARE PROUD TO BE ASSOCIATED WITH THE BEST IN THE WORLD

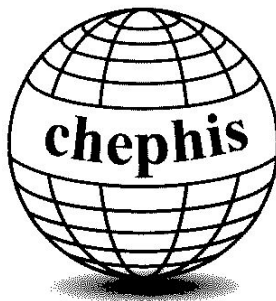

*Since we started in 1972, we have worked for several large and reputed
global Manufacturers as follows:*

- ❖ Orchid Chemicals & Pharmaceuticals Ltd., India
 - ❖ CKD Biocorp, Korea
